Pull Out & Chock - ***(Price p/m)***		
Power Wash Hull - ***(Price p/m)***		
Electric Required on Hard Stand		
Plug In and Turn on Electric		

Polite Remnders

1. We will endeavour to lift your boat at the requested time but this may change on the day dependant on the weather, the speed of other lifts and other factors out of our control.
2. It is important that your boat is in turn key condition on the day of your requested lift out. Please make sure your batteries are charged up and your engines start as normal.
3. You will need to pump out your waste system in advance. We do not have staff present to pump waste tanks on the day. We will charge £60.00+vat if we have to pump out the waste prior to lifting out.
4. If you tick no electric you will not be able to to request this at a later stage. If you tick yes you will be charged weekly rental of £2.40 plus number of units at 18p from the day you are lifted out.
5. If any delays are incurred by our staff on the day due to breakdowns/non starting engines/towing etc you will be charged at an hourly rate of £60+vat
